

QUOTE OF THE WEEK

Children are great imitators. So give them something great to imitate!

CCTV INSTALLATION

All of our CCTV cameras have now been installed and are operational. It is a very important step in ensuring our facilities and assets are protected as well as keeping our community members safe.

A huge thank you to Owen Whitehead from DISC Technology who coordinated the project from planning to completion. To Northland Shopping Centre, Swinburne University, Axis Communications and Milestone Systems, we thank you for your generous donations and contributions.

2019 PARENT OPINION SURVEY

WE WANT OUR PARENTS TO TELL US WHAT THEY THINK!

2019 PARENT OPINION SURVEY EXTENDED

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst a sample of randomly selected parents. It is designed to assist schools in gaining an understanding of parents' perceptions of school climate, student behaviour and student engagement. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

Approximately 30 per cent of parents will be invited to participate in this year's survey. All responses to the survey are anonymous. This year the Parent Opinion Survey will be conducted from

Monday 22nd July to Sunday 18th August.

The survey will be conducted **online**, only takes **10-15 minutes** to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones. The online survey will be available in a range of languages other than English. These include: Arabic, Vietnamese, Mandarin, Chin (hakha), Hindi, Japanese, Somali, Turkish, Punjabi and Greek.

OFFICE PHONE CALLS

Recently we've noticed a large spike in a number of messages we've had to pass on to our students at the end of the day. Many of these messages are just reminders of previously organised arrangements and the students are already aware of what they need to do and where they need to go. The large volume of calls and announcements is beginning to have an impact on the office and the classroom.

Please be mindful of this before calling the office to pass on reminders and trust that your children will remember where they are being picked up from. Remind them to come to the office if they are unsure and we'll give you a call.

If your pick up arrangements change throughout the day, we are more than happy to pass on these messages to your students.

Wow, Miley! What a kind and thoughtful thing to do! You found a foundation student who'd tripped over and you went and got a bandaid from your own special collection and made sure all was well before school began! How kind!
