Uniform Policy

A prescribed identifying set of clothes for the members of an organisation.

Conforming to one principle, standard, or rule consistent.

Ensuring all remain equal in their dress code.

Ensuring students wear a uniform provides Woodlands Primary School with the opportunity to promote equality. There are less opportunities for students to be taunted or anxious about their appearance. There is a lesson to be learned in following a specific dress code. This equips students for a life filled with rules and the importance of following them.

It is school policy for children to be in correct school uniform at all times. Failure to adhere to policy will result in students being given a formal warning, and further steps will be taken if this behaviour continues. If there is any reason a student cannot adhere to the Uniform Policy a request for exemption must be put in writing and forwarded to the Uniform Sub-Committee for approval.

All uniform items are available from the Bounty Shop with the exception of Reader Bags which are available from the school office.
