

IMPORTANT

Please read the information below carefully. These changes commenced on Monday 30 November and will be in place for the remainder of the year.

As the state continues to move through the Victorian Roadmap to Reopening, restrictions put on all schools continue to change. I received the latest DET Operations Guide. Whilst all schools have autonomy on how they manage the school for the remainder of the year, some restrictions have been lifted that will allow us to move a little closer to normality to complete 2020.

Start and finishing times

The school day will return to normal. Classroom doors will be opened to students at 9.00am and all students will be dismissed at 3.30pm. Please note that the school yard is only actively supervised by staff between 8.45am and 3.45pm.

Onsite access for visitors

Whilst we encourage parents and visitors to remain off site where possible, parents are permitted on site at drop off and pick up times. That being said, the drop off and pick up procedures have worked very well for most students so I encourage you to continue with this if possible. We have seen a huge spike in student resilience and independence, this is a gain we must harness.

Although parents are permitted on site, they will not be permitted to enter the school buildings. Please continue to follow the current procedure of calling the office when you arrive at the school and our Admin staff will direct you from there. Time spent on site must be kept to a minimum (max. 15 minutes). Parents must not congregate on school grounds or around entry/exit points and not enter the school grounds before 3.25pm.

If on site, all visitors will be required to maintain 1.5m between each other as far as practicable. If this is not possible for a period of time all adults must have their mask on.

Drink Taps

Drink taps will be opened for normal use.

Assemblies and school gatherings

Due to being such a large school and being restricted by gathering and density limits we are unable to run whole-school and parent attended events for the remainder of the year.

FOUNDATION TRANSITION

Dear Foundation 2021 Families,

Our first onsite transition session will be held on Tuesday, 8th December from 10:00am to 12:00pm. This will be a great opportunity for the children to familiarise themselves with their new teacher, classroom and peers. It would be lovely if the children could bring a small snack, preferably fresh fruit or vegetables and a water bottle to have during the session. Please ensure these items are clearly labelled with your child's name.

When you arrive at school, please make your way to the office and check the Class Lists and Room Numbers carefully. There will be Grade 5 helpers at the gate and office to help direct you to your child's classroom.

Due to the COVID protocols that the school needs to follow, parents aren't allowed to enter the school buildings or remain onsite during the session. Once you drop your child at their classroom, we ask that you leave the school grounds and return just before the 12.00pm finishing time.

We are so excited to welcome you all onsite next week! Thank you again for your ongoing patience and understanding.

See you on Tuesday!

CHRISTMAS RAFFLE

Epidermolysis Bullosa— Fundraiser

Let's give Oliver a hand, not only for growing the most amazing Mullet, but for his love and dedication to his family - Best of luck from all of us at Woodlands!

Hi,

I'm Oliver Jones, I am in grade 5 and I am raising funds for the EB Research Partnership, a charity that is working hard to find a cure for a horrible condition called Epidermolysis Bullosa. It is a rare condition that a lot of people in my family suffer from, including my sister Matilda Jones in grade 3. It is a condition that makes the skin blister very easily and they are very painful.

To raise funds, I am going to shave off my mullet...I have been growing this mullet for over a year.

The plan is, local Nitro Circus rider Cam 'Sincs' Sinclair will be shaving it off in February 2021 - My goal is to raise \$2000.

If you would like to donate, I would be very grateful. I can't wait to share the video of 'Ollie's EB Fund-Razor' with everyone next year.
