LOST PROPERTY

As all parents would be aware lost property is a big issue at Woodlands with over 900 students. As a parent it is extremely frustrating, expensive and inconvenient when your child loses their belongings. The Amazing students from 5W are now looking after Lost Property. This is what you need to know:

It is ESSENTIAL you LABEL all items that come to school. This way if found it will be returned to your child's classroom. I personally label my student's jumpers with a fabric paint on the inside of the neck so the label can't be cut off and I only use our surname so jumpers can be shared. YES I've still had my kids lose jumpers that haven't been returned so that isn't a solution but it definitely minimises it.

Any items found that are unnamed or unable to be returned (name illegible, students left the school etc.) will be hung on a rack outside room 27 from 8.45am and until approx. 4.00pm EVERY day for parents and students to look through. Please be mindful that you don't just take any jumper as this has a flow on effect. Anything left on this rack after a term will go to the second hand uniform shop.

Yes, there will be occasions where your jumper goes home with the wrong family and sometimes isn't returned, but there have been many times where this is accidental and they have been returned once parents notice when they do the washing. Sometimes this takes a week or more. There is nothing we can do to stop jumpers from getting into the wrong bags BUT if you label them well and if you return them to school as soon as you notice you have the wrong one this will minimise them permanently vanishing.

We will have two tubs outside Room 30 for students to drop in things that they "FIND." One will be for toys, lunchboxes etc. and the other for clothing. Anything of value (watches, jewellery etc.) will still go to the office for safe keeping. I will talk to the students at assembly and encourage them to leave things where they have been forgotten until the END of lunchtime as students often go back for their thing when the bell goes.

As you can imagine the task of sorting, returning locating etc. takes a lot of my time and effort so please be mindful of this fact if you don't get your things back immediately, I have a class full time and they are my number one priority when I am at school.

Any rubbish or food in lunchboxes will be thrown out immediately.

Thanks for your help and support. Please encourage your children to be responsible for their own belongings. If they take off a jumper during lunch or recess they should put them at their own classroom door or tie them around their waist. Don't bring anything to school that is Irreplaceable or too precious. Electronic toys should not be brought to school or taken outside.

If you applied for CSEF through our school last year, you do not need to complete an application form this year, unless there has been a change in your family circumstances or another child has started this year.

If you would like to apply for the first time, download a copy of the form, from the CSEF Compass post or collect a hard copy from the office.

You can also download the form, and find out more about the program and eligibility, on the Department of Education and Training's Camps, Sports and Excursions Fund web page.

What is a school council and what does it do?

All government schools in Victoria have a school council. They are legally formed bodies that are given powers to set the key directions of a school within centrally provided guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?

There are three possible categories of membership:

A mandated elected parent category.

More than one-third of the total members must be from this category. Department employees can be parent members at their child's school as long as they are not engaged in work at the school. [\[2\]](#)

A mandated elected school employee category.

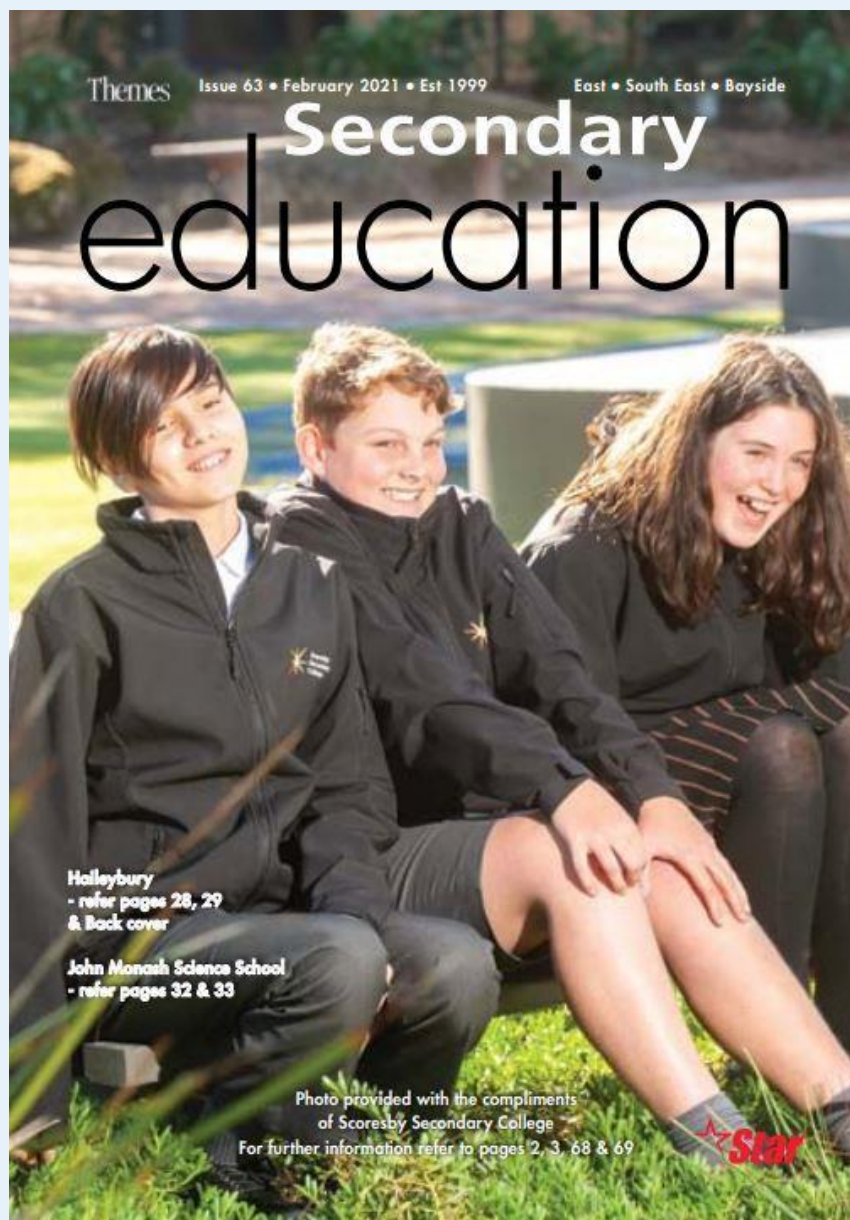

Members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically one of these members. [\[2\]](#)

An optional community member category.

Its members are co-opted by a decision of the council because of their special skills, interests or experiences. DET employees are not eligible to be community members.

The term of office for members is two years. Half the members must retire each year and this creates vacancies for the annual school council elections.
