Thank-You

As we come to the end of another disrupted term, I'm sure you would all agree that a break is much needed and well deserved.

Congratulations to our students who completed a fantastic first semester. They have endured two lockdowns and periods of remote learning and transitioned back to school really well. They all continue to do us proud each day and I'm looking forward to seeing what they can achieve in the second half of 2021.

Thank you to all of our parents for your continued support. You have also had to deal with two periods of lockdown and remote learning, we certainly couldn't maintain learning continuity for our students without you. Thank you. I hope you also get a chance to switch off, relax and reset for the second half of the year.

Thank you to our fantastic staff who have shown incredible dedication, professionalism and adaptability over course of Semester One. There's no such thing as a "normal" term these days and your ability to adapt to a situation as required is incredible. Thank you for all of your hard work, enjoy a relaxing break.

School Review

Due to the most recent lockdown, our School review had to be pushed back to Term 3. Our review will now take place during the week beginning Monday 19th of July.

We will be holding a **Parent Forum** on Tuesday 20th of July at 8.45am. RSVP forms will be sent home at the beginning of Term 3. We would love to see many of you there.

VICTORIAN HIGH ABILITY PROGRAM

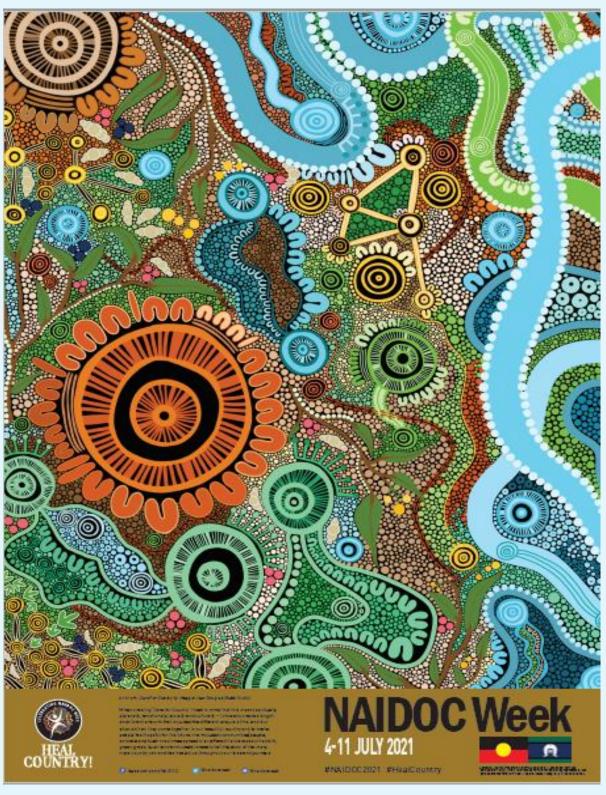

Congratulations to the following students for participating in the Victorian High Ability Program in Semester One!

Caitlin A, Mary C, Hannah B, Lindsey T
Oscar L, Asher L, Sam S, Lucas H, Jack L
Lachlan G, Lawson W, Kayden S, James D
(absent from photo Emmersyn R)

These students were selected to be part of this program due their high levels of achievement in previous years' NAPLAN tests and their general academic achievements in either Mathematics or English. They participated in weekly Webex sessions with other high achieving students, learning with a VHAP teacher from Virtual Schools Victoria. They should be incredibly proud of their efforts and for pushing themselves to 'be their best'.

NAIDOC Week celebrations are held across Australia each July to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC is celebrated not only in Indigenous communities, but by Australians from all walks of life. This year, NAIDOC Week is held over the week of the 4th to the 11th of July. As we are on school holidays during that time, we will be celebrating NAIDOC week during our first week of Term Three. This year's NAIDOC Week theme is 'Heal Country!' and classes will explore topics, perspectives and experiences related to Aboriginal and Torres Strait Islanders.

LETS ALL GET BEHIND MR BIRNIE FOR A GREAT CAUSE!

Hi everyone,

I've decided to give the Run Melbourne half marathon a crack on July 25. Seeing the hard work that all the students had put into their cross country training this term has given me the motivation to get out and start running again!

I've been training for a few weeks now and when I finally decided to take the plunge and officially signed up earlier today, I saw that there were many fantastic charities who are supporting this event to help raise funds for people in need.

I have been extremely inspired by the work that Neale Daniher has done in creating awareness for Motor Neuron Disease through FightMND over the years, and with 'Big Freeze 7' coming up on Monday I thought it would be a great opportunity to pledge my support.

My goal is to raise \$1000 to help support Motor Neuron Disease, and any donation to help me reach this target would be greatly appreciated!

Please click the link below if you wish to donate!

Fundraising is something I hold close to my heart, alongside FightMND. Could you please help by making a donation through this page:, just copy and paste this link into your web browser:

It only takes a minute and any money you can give (no matter how large or small) will go a long way to helping them reach the target.

Thank you, I really appreciate your support.

Mr. Birnie

2022 FOUNDATION ENROLMENTS

If you have a little one ready to start foundation next year, please come into the office and collect an enrolment form. If you are unable to make it to the office please call and we can send one home with your current child.

We ask that you fill the form out thoroughly and return to the office as soon as possible with all required documents. Due to zoning and capping of our numbers, it is very important we have the sibling enrolment forms as soon as possible.

If you know of any friends who are <u>not</u> currently at Woodlands and also have a little one ready for Foundation next year, please ask them to take a look at the tour dates on our website. They can then call the office to book in for a tour to receive an enrolment form.

Enrolment forms cannot be collected for friends.
