### QUOTE OF THE DAY

## Welcome Back!

It was a great day on Wednesday as we welcomed our students back to onsite learning here at Woodlands. After completing a very challenging remote learning period, I was particularly impressed with our students' positive attitude and resilience as they reintegrated back into the classroom.

A huge thank you to our parents, who supported their children's learning over the last few weeks. It is extremely hard to balance work, family and school commitments but the work you put in with your children is appreciated. Thank you also goes out to the brilliant staff here at Woodlands who, again, managed the change to and from remote learning with dedication and professionalism. Many staff are also juggling remote learning with their own children as well as the children they teach. This is a huge challenge so I thank them and all staff (on and off site) all for their hard work.

We also welcome back Jane Jones from her leave. Jane will join the Tutoring Team for Semester 2

## School Review

Last week we completed our School review. It was great to get the input of staff, students and parents in the process. The review panel were very Impressed with what the school has achieved over the last four years and commented on the positive culture and "Be Your Best" attitude that shone through when speaking to staff, students and parents.

From this review we will receive a report as well as goals and targets that will be included in our next 4 year Strategic Plan (2022 – 2025). The three goals that have been identified by the panel are:

- To maximise the achievement and learning growth of every student, particularly in literacy and numeracy.
- To strengthen student voice and agency., Strengthen our school wide approach to wellbeing to provide a safe supportive learning environment.

From these goals, Key Improvement Strategies and targets will be identified and included in the Strategic Plan. Once complete, this plan will be shared with the school community and posted on the school website.

## WHAT'S BEEN HAPPENING

This fortnight children have been settling back into term, it has been great having children enjoy a variety of new clubs and old existing clubs that have made it into term 3! Children have so far enjoyed cooking pizzas & cookies, playing with sphero balls & cracking codes, planning our upcoming spring vegetables, & playing many epic games.

This term we have an epic challenge ahead of us. We need to create the best MARBLE RUN against all other TeamKids services!!!! We have decided we are going to do this out of recycled craft items. So come and join the fun and help contribute your ideas. The best marble run will win an end of term inflatable party! The winner will be voted for by the kids at an epic viewing party.
