Great work everyone, you

The Resilience Project is coming to Woodlands! We have had this booked in for a while – and while unfortunately lockdown has meant that going ahead in person is not possible, we feel that more than ever the Resilience Project message is important. We would love for you to attend and be inspired by the positive message and learn about the value of a few simple actions and strategies that you can put in place to improve the mental health and wellbeing of yourself and your family. Which we definitely think is worth doing all the time – but especially in the middle of a global pandemic!

Parents are invited to virtually attend a live talk on **Thursday September 16 at 06:30pm**. A Zoom link will be shared via Compass closer to the date.

Usually student talks would occur in the same week, however, these are being re-scheduled to term 4, so that we have the opportunity to do these in person.

Some information from the Resilience Project about their program and what they do follows. We also recommend visiting their website or checking out their social media or podcast if you haven't seen what the Resilience Project do previously.

Katrina Hooke, Student Wellbeing Coordinator.

The Resilience Project

The Resilience Project delivers emotionally engaging programs to schools, sports clubs and businesses and provides them with evidence based, practical strategies to build resilience and happiness. The Resilience Project has delivered programs to over 1000 schools around the country and worked with many elite sporting teams including Australian cricket, netball and soccer, NRL and AFL clubs. Through presentations, wellbeing journals, schools curriculum, teacher diaries and their App, The Resilience Project seeks to help all Australians become mentally healthy.

Programs offered by The Resilience Project are based on the following strategies:

- **Gratitude** - Appreciating what you have, not begrudging what you don't.
- **Empathy** - Thinking of the needs of others/kindness.
- **Mindfulness** - Being present in the moment, not becoming distracted by negative thoughts.

During this presentation, Martin will share experiences and combine them with practical strategies that can be implemented every day to improve our overall wellbeing.

2021 Foundation Bags - Feedback

At the beginning of the school year, the Department of Education and Training provided every Prep student attending a Victorian government school with a red Prep bag.

The Prep bags contained 14 items, including children's storybooks, flyers, stickers, and stationery items, all designed to help Prep students and their parents and carers thrive from the start of Term 1.

The Department is now inviting families of current Prep students to participate in a short survey, closing Sunday 29 August.

Feedback will help inform what Prep students and their parents and carers like about the Prep bags and what can be improved in 2022.

To have your say, complete the survey through survey monkey—Copy and paste the following link into your web browser

WOODLANDS PRIMARY SCHOOL NEWSLETTER

WHAT'S BEEN HAPPENING

What an eventful term we have had at TeamKids, it has been action packed with meeting new faces, planning our clubs and experiencing what the children have chosen to do; from baking a variety of foods to a bunch of epic games!! We have also built a marble run and entered it in a TeamKids competition, explored our new resources, and learnt new games we can't wait to teach our friends when they are able to come back.

Coming up we have another epic vacation program jam packed with incursions which we can not wait to see you all at! Don't forget to book in fast as spaces are filling up quickly.

Just a reminder as Term 4 is approaching and the weather is quickly getting warmer, please pack a hat for your child for TeamKids. Please no caps as these are not SunSmart. Unfortunately, if your child does not have a hat, they will not be able to go outside. We will supply them with sunscreen.
