

2022 BACK TO SCHOOL PACKS

We had such a successful BTS process last year we will once again be using KAKA Kids as our 2022 BTS supplier.

However, the ordering process is a little different.

This year we invite you to order your 2022 BTS packs directly through KAKA Kids via the website.

You will find on Compass, each year level itemised BTS list with instructions on how to order and also a FAQ's document.

PLEASE NOTE:

- When ordering online, it will ask you for your address. This is a stipulation for the payment portal. However, your order will still be sent directly to the school.
- Prior to ordering packs for 2022 Year 1 to 6 online, you will need your child/ren's individual student ID (Not the family ID). This can be found by clicking on your child's photo in the Compass app. If you have a 2022 Foundation student you will not need the student ID.
- Any orders placed after December the 1st will incur a fee of \$14.95
- Pack Items and quantities cannot be changed.
- Please also read the '2022 BTS Pack FAQ's' document for more information, you will find this on Compass.

Please remember to QR code before entering the building

Thank you

Canteen on-line ordering/I.O.U's /Credits/forgotten lunches

Just a reminder that canteen on line ordering is through My School Connect and has been since March this year.

You can download their app or use the website to order

www.MySchoolConnect.com.au

ALL ORDERS MUST BE IN BY 8.30am ON THE DAY OF THE ORDER REQUIRED

Families who miss the 8.30 am cut off will need to organise their child's lunch themselves. The app will not let you process lunch orders after the cut off time. If you do not receive a confirmation email then your order was not successfully placed.

For any families who still have credit with MKLB (My Kids Lunchbox), This money can no longer be refunded by the canteen. The cut-off date to organise this was back in April. You will need to organise your refund with MKLB.

The Canteen will no longer be taking IOU's for lunch orders.

This is due to having to chase and follow up monies owed.

PLEASE NOTE: For special circumstances such as student leaving lunch at home and families unable to organise lunch to be sent in by someone, the offer of a Jam or Vegemite sandwich for \$3.00 will be available. To be paid by the end of the day.

If you forget to put money in your lunch order bag/envelope you will be contacted to organise lunch to be dropped off for your child **or** the money for your child's lunch order be dropped off the same day **prior to 1pm**, then your child will receive their lunch order.

Thanks
Canteen

Hello Parents and Carers,

As you may have noticed, some of the male staff at Woodlands have been sporting a moustache for the month of 'Movember'. Movember is an annual event involving the growing of moustaches during the month of November to raise awareness of men's health issues, such as: prostate cancer, testicular cancer, and men's suicide.

On November 26th, we will be having a 'Moustache Day' where students are encouraged to wear a moustache to school. As the senior school are wearing masks, you might like to draw a moustache on a disposable mask. A gold coin donation is required for those who participate, and all the money raised will be donated straight to charity.

If you would like to make a larger donation to our team, The Woodlands Woodpeckers, please click on this link:

<https://moteam.co/woodlands-woodpeckers>.

All donations are tax deductible.

We can't wait to see all the moustaches!

The Woodlands Woodpeckers.

We're excited to be welcoming Martin Heppell from The Resilience Project on site to Woodlands to present to our students on Thursday 18th November! Parents who were able to tune in to the online parent presentation in term 3 would have seen that Martin is an energetic and engaging presenter, and we're sure this will be a program our students will love! And we're incredibly excited to be able to have Martin attend school in person!

For those new to The Resilience Project, they deliver emotionally engaging programs to schools, sports clubs and businesses, providing practical, evidence-based mental health strategies to build resilience and happiness. Definitely something we can use after the two years that we have all had! We recommend checking out their website if you want more information or if you want to read about Martin's background.

Creating Positive Online Experiences

PROJECT ROCKIT is Australia's youth driven movement against bullying, hate and prejudice. Lucy Thomas, CEO, will be hosting this session to share insights from developing workshops for students around the country, sharing PROJECT ROCKIT's strengths-based approach that empowers students to take action when they see cyberbullying happen.

The webinar will cover:

- Insight into the opportunities and risks of young people being online
- An overview of popular social media platforms
- Proactive and reactive strategies to share with young people
- Supporting young people to take action against cyberbullying and to promote healthy online use

Support for your kids to get active

Does your child love sport and being active? Does your family have a Health Care Card or Pensioner Concession Card? You may be eligible for up to \$200 to put towards the cost of your child's participation in physical activities.

As children return to sport over the coming months, the Get Active Kids Voucher Program helps [eligible families get their kids involved in organised sport and active recreation activities](#).

Under the program, children may be eligible to receive up to \$200 to help with the cost of membership and registration fees, uniforms, and equipment.

The program also provides a special consideration stream to support children residing in care services as well as temporary or provisional visa holders, undocumented migrants or international students.

Applications for vouchers in round three of the program close at 5pm Tuesday 30 November.

For eligibility requirements and to apply, visit the [Get Active Victoria website](#).

WHAT'S BEEN HAPPENING

Welcoming all year levels back to onsite learning we have been excited to finish off the year with fun filled program! The last few weeks we have got back into our clubs starting a few new clubs along with some regular clubs the children have loved doing each term. Gardening club is becoming quite popular with the children taking pride in the team kids garden helping us regularly maintain it and planting some new veggies each term.

We also celebrated Halloween with a Halloween party with lots of yummy food and the opportunity for the children to dress up. We played some fun games to help us get into the Halloween spirit.

Parents & Guardians, just a friendly reminder as we are in term 4 and the weather is getting hotter, children are now required to wear hats outside, please ensure these are packed in their bags, if your child is required to leave their hat in their classroom, please pack an alternative hat.

Dear Community Member,

Communities for Children (CFC) Frankston would like to invite you and your family to participate in our Community Strategic Plan (CSP) consultations.

CFC Frankston is an Anglicare Victoria program that provides a range of local services that support and enhance early childhood development and wellbeing for children from birth to 12 years and their families.

In March 2022, the CFC program will allocate its new round of funding for 2022-2026. The CSP defines the priority areas that drives CFC's work in the Frankston community, such as:

- Direct service delivery for children & their families;
- Awesome Kids Calendar;
- Community Workshop Series;
- Sector Trainings.

CFC can't get the priorities right without hearing the voices of those who live and work in Frankston.

Please join our Zoom consultation on Tuesday 26th October from 6:30-8pm.
