

## Max's Wild Life

At Woodlands Primary School we are excited to announce some new additions to the school library – written by our very own published author Max Webster

from 1J. Max has used his lockdown time very productively and has written and published a book, which he decided to write for his Joey Promise Challenge for Scouts. Max clarified that this is actually his *second* book – in 2020 he wrote a “Lego Jurassic World Expedition” book for Brickman from the TV show Lego Masters. Brickman enjoyed Max’s book so much that he sent his own book in return, that he’d made all by himself (with just a little bit of help from his friend who he makes Lego Masters with).

Max’s most recent book is called “Max’s Wild Life” and is all about animals. Max has given away some books to some of his lucky friends, who have really liked it and have told Max what a good job he’s done. Max has also sold over 300 copies so far!

Max showed his favourite page of the book, which is the one about Peewee. Max loves this page for the pictures – when you get a chance to read the book, you can look for the pictures of Lego, the moth and the toy soldier – and of course, Peewee the microbat!

When he’s not writing books, Max likes Minecraft, animals, *reading* books, friendship and being kind. His favourite food is Maccas (the fries!) and his favourite colour is purple. At school Max likes learning about proper nouns and loves sport and music. His favourite movie is Godzilla: King of the Monsters – and for his second movie, he’d like to be in a Godzilla movie. Not only a published author – Max has also been in a movie for Scouts! For an author of a book about animals, the most important question was about favourite animals – for Max this is a wombat, and there is more than one page of the book dedicated to wombats!

We are so proud of what Max has achieved in writing his book and are excited to feature it in the school library. For any students or families who would like to buy a copy of Max’s book, they are available through the “Max’s Wild Life – Children’s Book” Facebook page.

## ART NEWS

Hello everyone.

Mrs Clowes and I would love to have some pre loved towels for the Art Room. We would also appreciate some paper towel, sponges and spray and wipe. We tend to use a lot of cleaning agents in our wonderful Art Room. Any cleaning items would be a big bonus.

Have a great day !

## WHAT'S BEEN HAPPENING

This week has been filled with so many amazing CHILD LED activities and ideas! We have started our baking for our gingerbread house competition entry after students drew their ideal gingerbread designs last week. Our senior students led this team of cooks and did the all-important taste testing for our first baking trial.

We also have National Fairy Bread Day coming up next week on Wednesday which students have been preparing decorations for this week. As expected, they have chosen to go with a RAINBOW display; creating rainbow paperchains and other rainbow decorations.

We also want to remind everyone that our HOLIDAY PROGRAM will be coming out soon!! Keep an eye out on our website for more details!! ☺
