CONGRATULATIONS

As we head into the last week of the 2021 school year, I'd like to congratulate the Graduating Class of 2021 and wish them all the best as they head into their final week at Woodlands. We are very proud of what you have accomplished over the past 7 years and are confident you will continue to represent Woodlands in a positive way as you enter Secondary School. Good luck and congratulations.

THANK YOU

We have a lot to be thankful for as members of the Woodlands community. As the Principal I am most thankful for the people we have in our community.

Our staff are the most dedicated and professional group I've had the privilege of working with throughout my career. The way they have navigated through the last couple of years, maintaining learning continuity, promoting student and family wellbeing as well as caring for their own families has been remarkable. Thank you to all of the Woodlands staff, enjoy a very well earned break.

Thank you to our extremely supportive parent community. The way you have worked with our staff throughout 2021 puts us in a great place to hit the ground running in 2022. I understand it has been an extremely challenging year but we couldn't have kept our students engaged and progressing without your help. More recently, with the COVID cases at school, the goodwill and support from parents was very much appreciated. I hope you all get the opportunity to switch off over the Christmas break and enjoy some relaxing time with your families.

The school also relies on a dedicated group of parent volunteers to ensure we provide the best possible education and opportunities for our students and families. To Lisa Meddings, School Council President, and the rest of our school councillors, thank you for the time and energy you put into your positions. Most of the work we undertake together is behind the scenes and isn't obvious to the wider community but the impact is significant. Thank you for your ongoing support. To all the members of our Parents and Friends group, led by Glenn Heatley, thank you. Thank you for the time you spend volunteering to provide opportunities for our students. Here's looking forward to a more settled 2022 where you can put in place some of the things you have planned.

Finally to our students, who make us proud every day. Thank you for always being your best. You have shown a tremendous amount of resilience and growth over the course of the year and I am particularly proud of the way you have come back to school in Term 4. I hope you all have a fantastic Christmas and a fun and relaxing break with your families. We're looking forward to seeing you back at school ready for a brilliant 2022.

Have a very merry Christmas and a safe and relaxing new year.

Matt Gallagher
Principal

Introducing our 2022 Play Leaders!

Over the past couple of weeks, year 4 students have been working on their applications to become helpers in the yard for some of the younger students. Our successful applicants were announced on Tuesday and they're all very excited to do some training and get started in their roles early next year.

The Play Leaders are an important part of our THRIVE program and are a huge support for junior students in the yard, running games and activities. A big congratulations to all those who were successful, and a huge thank you to all of the students who completed an application and are showing an interest in being leaders at our school.

For Mrs Norman

This year, the students and teachers have been working hard to create a new play and outdoor learning area in memory of Mrs Norman. Mr and Mrs Clough worked very hard with some of Mrs Norman's old students to create beautifully painted posts. The theme was 'All things Mrs Norman' and the children's artwork depicts their happy, fun and wonderful memories with our amazing teacher and kind friend.

Mr Watson and Mr B installed seating, stepping stones and new plants. This new learning space is a wonderful legacy and will be here for future generations of Woodlands' students to enjoy.

We would like to congratulate and say a BIG, BIG thank-you to the students and staff that were involved in planning and creating this garden. We are all very proud of your efforts.

Woodlands are Regional Champions!!!

Congratulations to our Year 6 boys and girls cricket teams who were crowned Regional Champions for School Sport Victoria last week. Woodlands are a member of the Southern Metropolitan Region, of which there are more than 300 primary schools!

The girls won all 3 of their games, which meant that they finished on top of the ladder at the end of the day. The boys won both of their pool games which allowed them to progress to the final. This was a very close game, played against Beaumaris Primary School. It came down to the final over but the boys got the job done, winning by 12 runs.

Respectful school communities start with respectful behaviour

Parents, carers, staff and students can help keep our school community safe, supportive and respectful.

Good relationships are based on:

Open and honest communication

Trust and respect

Working together

Fair and reasonable expectations by all

These behaviours are **not** okay in our school community:

- ⊗ Threats
- ⊗ Violence
- ⊗ Rudeness

- ⊗ Harassment
- ⊗ Discriminatory and derogatory comments

- ⊗ Aggression
- ⊗ Intimidation
- ⊗ Threatening gestures

This includes in-person, over-the-phone, email, text message, social media and online.

For more information ask your school about the **Respectful Behaviours within the School Community Policy**.
