

Thank you for a great Term 1

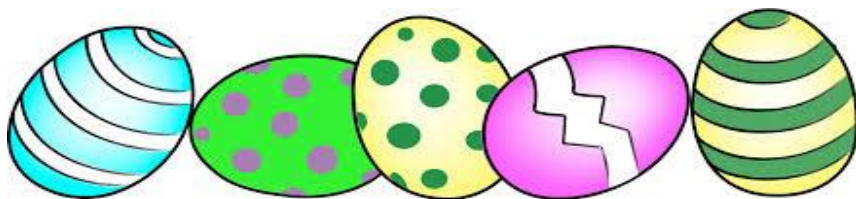

As we complete a hectic Term 1, I'd like to thank all members of our school community for your ongoing support. This term is the first full term for our staff and students since Term 4 2019, hard to believe.

Although it had been hectic term, full of student and staff absences, it was great to have some continuity and routine back in the school. It was wonderful to be able to offer extracurricular experiences such as Year 6 Camp, excursions, incursions and sporting days and the Colour Run was a brilliant community celebration and an afternoon to remember for all in attendance. With a successful Term 1 behind us, I think we can all look forward to an exciting and rewarding rest of 2022

Have a wonderful Easter, a very well deserved break and I look forward to seeing you all back at Woodlands on Tuesday 26th of April.

A Big Colour Run Success

A huge thank you to our entire Woodlands community for making our first ever Colour Run a huge success. It was amazing to see so many parents and friends join us to cheer on our students as they participated in the first major whole school event in a number of years.

Particular thanks to our school's Parents & Friends Association for coordinating the event, particularly Alana Brown, Ric Brown & Glenn Heatley along with the volunteers who assisted on the day.

A huge congratulations to our students who looked amazing and did a fantastic job completing the course in fine spirit. And thank you to all the Woodlands staff for your enthusiasm in helping out and participating, including our Slime The Teacher volunteers.

Finally a huge thank you to our parents and everyone who donated, amazingly setting an Australia wide Colour Run Fundraising record of \$63,520 for the school. We can't wait to invest this money into updating the basketball precinct at Woodlands.

A reminder that all prizes need to be ordered online via your fundraising portal by this Friday evening April 8 – don't miss out!

Have a safe and happy Easter school holidays.

Assistant Principal

The ALPHA Show

On Wednesday 30th March, Students and Teachers from Foundation to Year 4 got to experience some real live theatre in the Performing Arts Hall. The ALPHA show production company put on their version of the timeless story of King Arthur. Children witnessed sword fights, a dancing troll, a dragon, singing witches and sound and lights that had them spell-bound for over 90 minutes.

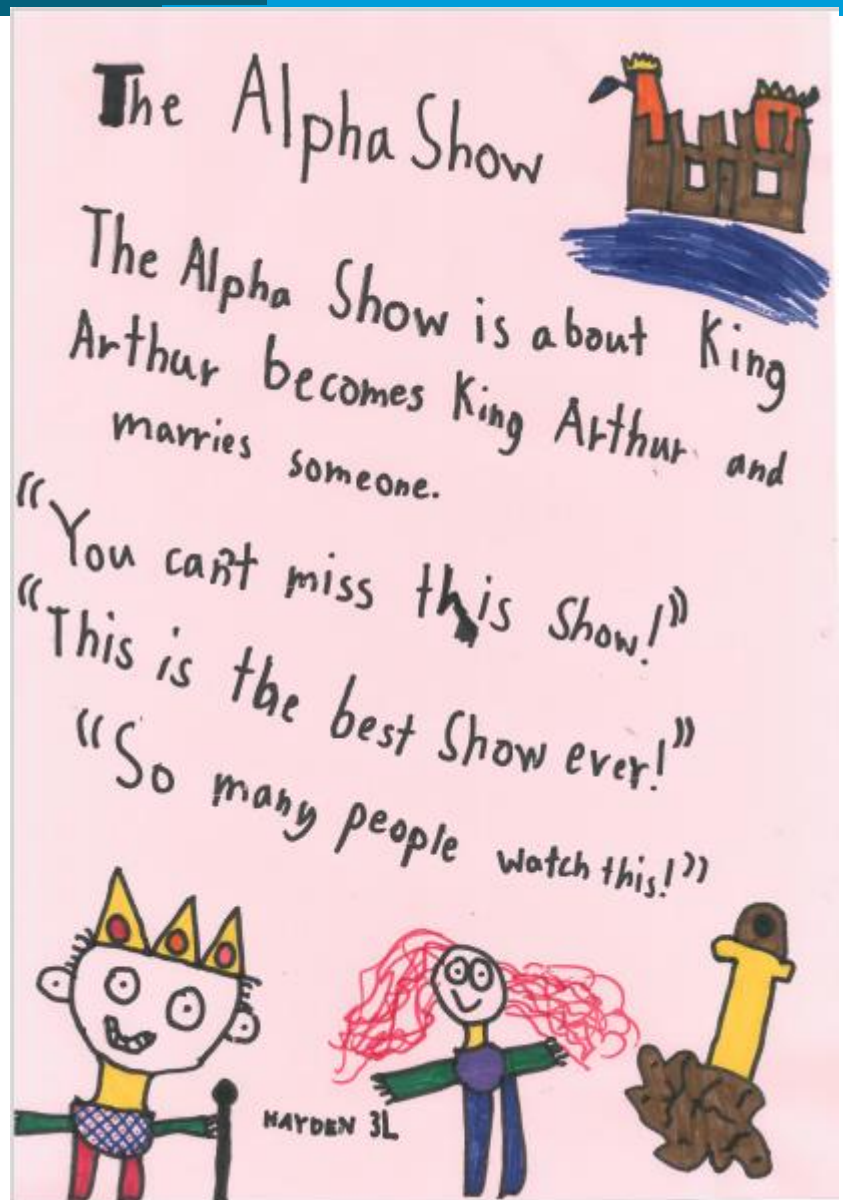

We're very much looking forward to the amazing ALPHA show returning next year!

4-6 Athletics Day 2022

It was Tuesday the 29th of March 2022 and all of the grades from 4-6 were getting on the bus to go to Ballam Park for an exhilarating Athletics Day!

All of the grades were seated on the buses and ready to depart Woodlands Primary School. Once we arrived at Ballam Park, we were told to go to the spots where our houses were. Some of the Grade 4's were a bit late, so Mr Dowling didn't do his speech telling everyone what we were doing and where we were going until everyone was here, which put us a bit behind schedule.

We basically got straight into our events. All Grade 6's were doing shot put first, all grade 5's were doing long jump and all of the grade 4's were doing the 100m sprint first. All of the grades did exquisitely. We then had our recess and nearly everyone went to the canteen. It was such a rush and it was so squishy. The line was so big that some people didn't even get to go to the canteen or get any food to eat (until later) because Mr Dowling bellowed out of the speaker that we needed to go back to our houses immediately.

It was time for our second event of the day. The Grade 6's proceeded to the 100m sprint, the Grade 5's to shot put and the Grade 4's to the long jump. Everyone had heaps of excitement as everyone had tried their very best.

We were then all called back to our houses to have lunch. Everyone sprinted there. After we were all seated in our houses, you could tell everyone was eagerly waiting to devour their delectable lunches. This time with the canteen, each year level was called one by one to go up, because before everyone was pushing in and the Year 4's were practically getting squished.

Lunch seemed to go for ages, so most houses decided to put coloured zinc on their faces and bodies to pass the time, it really did amp up the house spirit. The people in Friendship were having a competition to see who could get the most dots on their arms, which was really quite hilarious. But poor Endeavour, no one in their house brang red zinc, so they looked a bit unembellished.

Following lunch, it was time for the 100m sprint final and house relay. The 100m final was an amazing feat. But what everyone was really looking forward to was the house relay. The four fastest people from each house were chosen to compete in the relay. Each age group had a different house win.

Before the end of the day, some people went home early with their parents, so they had to sign out with their teachers, which left a much smaller group than there had been at the start. Everyone got on their buses as soon as they arrived, but some class' buses came really late. I'm pretty sure some people thought we were going to be stuck at Ballam Park forever! We reached Woodlands a few minutes before the bell.

Overall, Athletics Day was a bright experience for everyone. We all had so much fun and enjoyed every second of it.

YEAR 6 CAMP

Monday, 21st of March

9:30. That is precisely the time we left on Monday the 21st of March to go on the 2 and a half hour drive to Waratah Bay. By the time we got there I think everyone was itching to get off the bus. We all unloaded all our bags and pillows and lined them up along the wall. Upon entry you could tell that the camp was pretty big. Once we had done this we went into the dining hall and had our home packed lunches. Once inside Nick and Luke talked to us about the rules and the expectations of being at camp. Once done we were told who was in what cabin and that once called please go to your cabin. Each cabin had its own leader and they were in charge of making sure their room was clean, everyone was doing the right thing and that their cabin was quiet at night. At the end of each hallway there was a rec room which is just a room with games such as pool, air hockey, table tennis, a massive Connect 4 and foosball. After 15 minutes of playing in the rec rooms we were called outside to discover our activity groups. All up there 11 activity groups ranging between 12 people and 9 people. Once our groups were called we were asked to sit in a line behind a numbered cone. For example if you were group six you'd line up behind the cone that says the number six and etc. On the first day groups 1-3 were surfing. The surfing activity took 2 hours while every other activity took 1. Meanwhile groups 4-12 were doing 2 of the following 8 activities: the flying fish(giant swing), rock climbing, low ropes, nitro crossing, gaga ball, aero ball, initiatives course and beach volleyball. 2 hours later we were called back inside and told to go and play in the rec room or in your room until dinner. Dinner on that night was roast pork

or lamb with a side of veggies and mac n cauliflower. It was delicious! For dessert we had ice cream with a side of fruit which also was very splendid! After this we had a nice night walk along the beach and a campfire with marshmallows. For supper we had chocolate cake with a hot chocolate to wrap up the day.

Tuesday, 22nd of March

Wake up call was 7:00 and breakfast was 7:30. Breakfast was bacon and eggs with cereal of your choice. Activities started at 8:30 and groups 4-7 were doing surfing in the morning, whilst the others were doing the other activities at the camp. For Tuesday's lunch we had sausages in bread with sauce, salad and onions. After this we got to do our last two activities and 8, 9, 10, 11 did surfing. Then came dinner, we had lasagna and peas. After dinner everyone rushed back to their cabins to get ready for a disco and talent show. First we had the talent show. We had 7 contestants judged by the delightful Mr Salerni 1.0, Miss De Ruyter and Mr Piscazio. This is what the contestants did: Shayla, (singing) Justin, (telling jokes) Grace (singing), Kai and Jamie (dancing), Lily G, Jaymee b, Lucy S, Lucy T, Mia and Llara (skit), Archie and Sonny (dancing) Will (dancing), Charlize, Shayla C, Lilli S, Chelsea and Quinn (Peppa pig play). These were both interesting and funny. The disco was next. We had a variety of songs from Single Ladies to Pump it Up. Everyone was having fun, even some of the teachers joined in. After that I'm pretty sure most of us could say that we were very tired. We had supper which consisted of chocolate cake with vanilla icing and cinnamon. Following supper it was now time for bed, everyone was exhausted after all the surfing and dancing.

Wednesday 23rd of march

It was our last day of camp. We packed all of our stuff up ready for an inspection. We packed up our sleeping bags and clothes and put them outside. Next we had pancakes. Now that's a real treat. We made our rolls for on the way home. Swiftly, we got ready to go to the beach for our last activity. We walked to the beach which was a 5 minute walk from the camp. We played games like walls and tug or war. Sadly, the rain came and we all rushed back to the camp. We got free time while we waited for the bus. The buses then arrived 6G went on the mini bus, 6D and 6S went on a bus together and 6BP and 6W went together. It was around a two and a half hour drive home with a stop on the way to eat. After the long drive we finally got back to school tired and ready to go home. We took all the luggage to the hall and sat down in our classes waiting for our parents to come pick us up. Overall it was a successful camp and an enjoyable memory for our last year of primary school.

The cat's out of the bag! TeamKids is going to The Big Goose for a day full of animal fun. There'll be tractor rides, reptile & sheepdog shows, plus all the farm animals you can possibly feed.	Did you know that The Rainbow Serpent represents one of the great & powerful forces of nature & spirit in Australian Aboriginal Culture? We'll get to interact with some animals represented in Dreaming stories.	TeamKids will turn you into a whizz when we make Fizzy Bath Balls! We'll use whacky materials to form our own bubbly, colourful creations to take home. *Activities may get messy, please wear appropriate clothing.
