Year 5 & 6 "Sink or Swim" Incursion

Thank you to Eliza from Lifesaving Victoria for coming to Woodlands on Thursday 26th May to teach us all about how to be safe around water.

This will prepare us for our Beach Programs in Term 4!

Book Fair is Coming!

Lamont Book Fair is back again this year from the 6th – 10th June 2022. This is a great way for students to add to their book collection at home as well as helping our school earn more books for the school's library.

During their class time, students, will be given time to browse available books and have the chance to write a wish list with a few of the titles they are interested in.

An online payment portal which works similar to a voucher is now available. Lamont will deliver the book fair as normal, the students browse the book fair and fill out their wish lists. They then take their Wish List home and make the payment online (this includes inputting student name, grade and what books they want), the student then returns to school to collect the books from the book fair. Online payment instructions are on the back of the wish list.

Cash payments will be accepted, however EFTPOS is our preferable method at this time.

Book fair will be open in the Library/Resource room during the following times:

Tuesday to Friday 8.30 – 9.00 am 3.30 – 4.00 pm.
This excludes Friday afternoon.

Please enter via the outside back door of the library.

We have lots of children join us and they learn to cooperate, share and create. Of course, there is Duplo for the little one and even Leao tech for the advanced students.
Wednesday		
Drumming Club - Mr Gough	Yr2 Eating Area	Students from F-6 have the opportunity to join in by playing a percussion instrument of their choice. They can make their own contribution to the overall sound by playing what they want, while still respecting the music made by the rest of the group. They also get the chance to be the 'leader' and start the groove that the rest of the group play to. Drumming Club gives an opportunity to learn to listen to others, keep a steady rhythm, build confidence and creativity.
Sport - Mr Dowling	Basketball Court or Stadium	Structured sport sessions on the basketball court or in our stadium. Due to the numbers we will allow certain year levels for each session. This term we will start with our foundation kids (week 3-6) in the stadium, the focus of the session will be on "making new friends". Our grade 6 leaders will be overseeing the session and they will be making these sessions super fun!

Thursday		1:40-2:20pm	
Story Reading Club - Mrs Reid	Foundation Front of School Shade Sails	Story club is a chance to take a seat on the picnic rug and read the afternoon away. We will start with a big book and then students will have an opportunity to immerse themselves in whatever books they enjoy!	
Art Club - Mrs Block	Yr2 Eating Area	Students are welcome to come and join various activities from week to week. We will have Zen drawing, watercolour pencil painting, charcoal and oil pastel drawing activities. We will have a Mini Monets class. A magnificent Matisse class and a Very Special Van Gogh Class to start the term off. If children wish to free draw then there are materials for them to use too. This is a very chilled 40 minutes. We will also have games for those that wish to do so with their peers.	
Friday		1:40-2:20pm	
Relaxation Club - Ms Isom	Foundation front of School Shade Sails	This club provides the students with an opportunity to take some time out of their busy day to slow down, relax and enjoy some calm and peaceful experiences. It begins with a yoga session followed by a mindfulness activity. The activities will be a varied range of; gentle movement, breathing exercises, guided imagery and different mindful meditation experiences. These participations can support and strengthen children's social and emotional growth and regulation, cognitive focus and attention, and help reduce apprehension.	
Woodlands FM - Mr Birnie	Amphitheatre near basketball stadium	Woodlands FM is organised by Mr. Birnie and our Year 6 Media monitors. on the stadium decking. This provides a great atmosphere, particularly on the amphitheatre and basketball courts where students can dance, sing and have fun listening to the music.
