

Congratulations Clara!

The school would like to congratulate Clara Smith on her selection into the under 12s School Sport Victoria team for Netball. What an amazing achievement for Clara and everyone at Woodlands Primary wishes you all the very best for your State tournament in NSW.

Thank you and Happy Holidays

As Term 2 draws to a close I'd like to thank and congratulate all members of our school community on making it through a challenging, yet productive term. It has been one of the more challenging terms in my time in education, with the large number of student and staff absences making continuity of learning very difficult. That being said, our staff and students are to be congratulated on maintaining an orderly and effective learning environment despite these challenges. And, as always, our parent community has been nothing but supportive of our staff and students. Thank you.

In Term 3 and beyond we have lots to look forward to. The continuation of exciting events such as camps and excursions, the reintroduction of parent helpers in the classroom, assemblies and, as the weather starts to warm up, less illness and more continuity in our teaching and learning programs.

Thank you again for a great term and enjoy the well deserved (and needed) break. We look forward to seeing all of our students back at school on Monday July 11th.

Year five Thrive play leaders

Play Leaders have very important role at school, which is to ensure the yard is a fun, safe and inclusive space by facilitating games and activities for our junior students. This week our Play Leaders ventured out to visit some of our local early learning centres. Children at Wonnai, Platypus Junction, and Goodstart Early Learning enjoyed a range of games that promoted teamwork, listening, and mindfulness.

We look forward to more opportunities to connect with our early learning centres.

Excursion to Polly Woodside!

The Year Fours had a fantastic time experiencing life apart of a crew that sailed on Polly Woodside!

"The excursion was the best!" Willis 4C

"That was awesome" Kyle 4P

"I loved going into the sea sickness room." Jaxon 4R

"I liked going into the sea sickness room" Edie 4R

"Best excursion ever!" Cameron 4H

"It was so much fun scrubbing the deck". Evie 4P

"I liked seeing how sailors lived." Jeriya

"Astronomical!" Laney 4P

"Fascinating!" – Rose 4H

Polly Woodside

Today was the best day of school (: On Tuesday the 14th of June we visited the city for an amazing excursion. We went to Polly Woodside, a ship similar to the First Fleet, but not quite a First Fleet ship. Polly is a sail ship that was built in 1885. Polly travelled the sea for many years but just like the First Fleet ships she stopped for a couple of years and will not travel the seas again.

Once we got off the bus, it was about an hour's drive. We sat down on some stairs/steps and ate some snack. Once we all finished our snack we met our tour guides there were three; one for each group. We greeted our tour guides with AHOY as sailors would've said back in those days. Once we got our guides we went on the ship, one group at the front of the ship, one at the back and one in the museum (not on the ship). They told us some facts and one was, they named the ship after the captain's wife who passed away by the name of Polly.

Once all that had finished we climbed aboard the ship, our tour guide said that we needed to put our left foot on first or something bad would happen but of course some people put their right foot first and nothing happened. Just another one of those 'fairy tales'. Once we were all on the ship we went to the poop deck. Now of course it wasn't an actual poop deck it was where the steering wheel was. They used different words for left and right. The word for left was 'port' and right was 'starboard'. That's when she gave us some numbers one, two and three. Number two got a go at steering the wheel. The next job they did was scrubbing the deck while some people were scrubbing, the others were chanting 'SCRUB THE DECK'. But back then in those days nobody was chanting that. Sailors also got paid 30 pounds for 3 months of work, which about now would be worth \$60,000.

We went up to the front of the ship and number ones got to ring the bell. There were 4 words, each syllable was the amount of rings you did. For example if you ring the bell three times that word would be dead ahead (dead-a-head). We looked in the kitchen and sailors' cabins. We learnt that when the sailors felt sick they drank lemon juice and sometimes sucked on lemons. There were only eight beds in the sailors' cabins and sixteen sailors. So, eight sailors would've been working at night and eight would be sleeping and from now and then they would swap. We went down into the storage and the cook, navigator, first mate and of course the Captain's cabin. They looked all so different from the sailors' cabins and the Captain even had his own bath!!! Believe it or not there was a toilet for the sailors but all it was was a bucket and a disgusting poo rope which they wiped their bums with!

The last thing we did was explore the museum. We also watched a film about how all the sailors that were on this ship went about their lives on Polly Woodside and there was this barrel that made you feel like you were moving on a ship. As we were leaving we screamed AH HEY YA LATER which was ahoy and see ya later mixed together.

This day was awesome. I will definitely come back - one day. We went back to school and we went out for lunch thinking about all the awesome things that just happened.

Miss Hann's visit

On Friday 10th of June, Miss Hann (Mrs Hann's daughter Rebecca) came to our class 5W for a special visit.

Earlier that week we had been talking about microscopes because that was one of our spelling words. Mrs Whitehead told us about how we might be able to look under a microscope in high school.

Someone told everyone a fact about tears under a microscope and how they looked different depending on the reason you cried.

That fact stuck inside Mrs Whitehead and Mrs Hann's heads and that's the reason why Miss Hann came to visit.

When Miss Hann came to our classroom she brought a worksheet, things to look at and best of all the microscopes!

She taught us how to use them and how to draw scientific diagrams.

Did you know that when you are drawing a picture of something under a microscope you can not shade or colour it in?

After we had learnt how to draw and label a diagram, we got to look through the eyepieces ourselves at the items she had brought. There was a honeybees leg, a piece of silk, an aquatic leaf from Miss Hann's fish tank, a word from the newspaper and a fish scale. Once we had finished drawing and labelling our pictures we looked at some images of tears under a microscope, and the fact that started this all was proven to be correct.

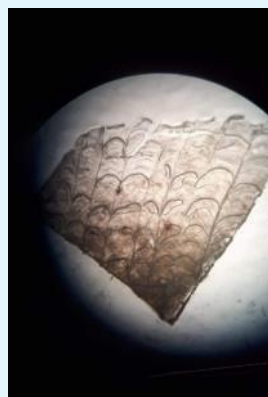

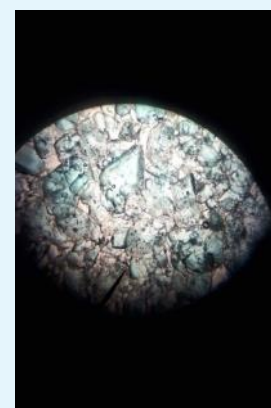

We then had an interesting challenge, there were images of things under a microscope and we had to guess what we thought it was.

Who knew a banana looked like honeycomb under a microscope?!

This was really fun and we're all really glad Miss Hann was so kind to take some time off and teach us about microscopes and what they are able to do.

Thank You Miss Hann!

Winter Lightning Premiership

By Harry G 6D Cooper S 6D (Sports Captains)

On Friday June 3rd the Year 6's competed in the Winter Sports Lightning Premiership. The sports you could compete in were Footy, Soccer, Netball and Newcombe. Everyone competed excellently throughout the entire day and a lot of teams won the premiership.

AFL

At the Footy Ovals at Lloyd Park the footy team played against the other schools. The winner was based on the best percentage throughout the five games. The boys played well throughout the day keeping most teams under 20, but they failed to win the premiership. Langwarrin Park Primary School ended up winning the premiership by going undefeated throughout the entire day.

Congrats Langwarrin Park!!!

Soccer

At the Soccer Grounds at Seaford the 3 Woodlands Soccer Teams played against the district. The winner of the day was based on percentage. The Boys A team won every game by more than 5 goals throughout the day. They easily won the premiership. The Mixed Team

competed very well throughout the day falling short of winning by coming 3rd. The Girls team played well throughout the day, **JUST** falling short coming 2nd throughout the day.

Newcombe

On to newcombe who played at Langwarrin Park Primary School .There were two teams, the A team, and the B team. The A team came in second place, and the B team came in fourth place. They put in all their effort for an outstanding day.

Netball

To netball where we are at Lloyd Park's netball courts to see our mixed team, the girls A team and the B team. All teams played exceptionally well, winning all their games. At the end of the day all three teams brought home a shiny trophy and celebrated their victories.

Conclusion

In conclusion, win or lose, the Year 6's gave their all throughout the day. Everyone came back to the school absolutely knackered. Thanks to all the teachers and the people who helped out, and all the parents who came to the amazing day!

By The Year 6 Sports Captains

Preps

We started off the day with the prep boys early in the morning. They had to run one full lap of the school, once they finished they lined up in their order of what they came for and got a certificate with what they placed written on it after heading back to their colour area. After the prep boys were finished the prep girls ran the same distance. After the girls finished they had a presentation of who came first, second and third.

Boys

In First: Finn Scallion **Green**
In second: Nate Oakley **Green**
In Third: Archer Chuprinoff **yellow**

Girls

In First: Mackenzie Lawrence **yellow**
In Second: Ivy Bowen **green**
In Third: Arabella Williams **blue**

Year Ones

After the Preps, was the Year one boys, they had to run a full lap of the school as well as a mini lap. They got handed a certificate and went back to colour stations. After, they had a presentation of who came first, second and third.

Boys

In First: Hudson Forsyth **Blue**
In Second: Sonny McWilliams **Yellow**
In third: Levi Georgio **Yellow**

Girls

In First: Emmelyn Ciurej **Green**
In Second: Laila Cester **Green**
In Third: Emily Brown **Green**

Year Two

Once the year ones are finished the year twos start lining up to get ready for the race. The year two boys line up and start running, they have to run a full lap and a half. The same as the year ones. The girls ran after the boys' presentation.

Boys

In First: Jett Christodoulou **Red**
In Second: Hamish Bonar **Green**
In Third: Nate Grose **Yellow**

Girls

In First: Nataylia Taylor **Red**
In Second: Rory Bankier **Red**
In Third: Adelaide Holcroft **Yellow**

Year Three

After the year twos there were the year threes. Boys went first and started running. After the boys there were the girls, they all had to run two full laps of the school. Once everyone had crossed the finish line they did another presentation.

Boys

In First: Josh Maynard Yellow

In Second: Harrison Bradley Blue

In Third: Liam Maddock Blue

Girls

In First: Sienna Archer-Haigh Blue

In Second: Marissa Leaver Yellow

In Third: Milla Zaffarese Green

Year Fours

The year fours had to run two full laps of the school, the boys went first and smashed it out real quick. Once done, the girls went and did it so quickly. After they had another presentation.

Boys

In First: Zac Taylor Green

In Second: Luke Samson Red

In Third: Noah Price Blue

Girls

In First: Gemma Rault Red

In Second: Millicent Bonar Green

In Third: Evie Rice Blue

Year Five

The year five's ran three full laps of the school. The year five boys went before the girls and the boys shredded through the course as well as the girls.

Boys

In First: Mason Stephenson Blue

In Second: Brodie Ganino Blue

In Third: Jack Kostiuk Blue

Girls

In First: Indianna Laurito Red

In Second: Elly Stratton Green

In Third: Keara Boucher Yellow

Year Six

Finally the last group of the day was the year sixes. The boys ran first and all of our captains were all pretty tired of running all day with helping the year levels run and as well as encouraging them. After the boys smashed it were the girls and the girls completely ran it out really quickly.

Boys

In First: Harry Gallagher **Green**

In Second: Zak Ciurej **Green**

In Third: Archer Gibson **Red**

Girls

In First: Layla Kingston **Green**

In Second: Ava Latcham **Blue**

In Third: Lucy Streeter **Green**

Winner

At the end of the day the winner was announced. The winner of the cross country was the amazing **Perseverance/GreenHouse!!!**

Conclusion

Overall it was a fantastic day. Congratulations to all the people who ran that day. Thanks to Mr Dowling and Mr Birnie for setting up this fantastic day and the captains for being amazing hares and being great supporters.

Southern Region Cross Country

Last week we had 16 students representing Woodlands at the Southern Metropolitan Regional Cross Country event, held at Hastings Foreshore. This is a very high standard of competition, as there were more than 200 primary schools that could have been represented at this event. Our students performed remarkably well in such a tough and competitive field of athletes, of which there were more than 80 in each race.

Congratulations to both Luke Samson and Zach Taylor, who managed to progress through to the State Finals next term after finishing in the top 12. A special mention also goes to Gemma Rault who finished in 13th place, missing out on progression by 1 position!

Here are the final placings for each age group:

| Today, we're dancing like we've got ants in our pants in Let's Dance Calypso! We'll learn moves from different dance styles like Reggaeton & Soca before coming together for a colourful, carnival party. | TeamKids is set for an all-singing, all-dancing extravaganza with LIGHTS MUSIC GLOW! We'll get the tunes pumping, learn new dance moves & sing our favourite songs. *Closed-toe shoes required & flashing lights alert. | TeamKids is packed solid full of fun with Wooden Car Making! We'll pop on our safety goggles, pick up some tools & follow step-by-step instructions to create a moving model car to take home. *Closed-toe shoes required. | TeamKids is exploring Melbourne's BIGGEST indoor playground & scaling the rock walls to incredible heights at Funtopia! Will you race your friends up the speed wall or down the slides? *Closed-toe shoes required. | Do you want to become a master of martial arts?! Today, we're learning to harness our epic skills in Kung Fu Kicks. We'll be flying high during this incursion as we run through all the powerful techniques. |

Attention all parents and educators!
Mental Health Matters
FREE online training

This FREE 1.5 hour session is an ideal introduction to Mental Health training. It is designed to give a basic understanding of how to identify if a child might be experiencing mental health concerns and what to do.

Topics covered include:

- History of mental health support
- Recognising mental health concerns
- Common mental illnesses
- Support and assistance

There are no prerequisites or assessments for this course. Participants will be provided with a workbook to complete and issued with a statement of participation.

To register your interest in a FREE course now, email: communitystrengthening@frankston.vic.gov.au or phone: 9768 1629

**HEALTHIER,
FITTER,
FASTER KIDS**

Aussie Aths is athletics, but not as you know it.

Aussie Aths is a health and fitness program for Aussie kids aged 5 - 13 years based on athletics.

It's not standing in a line; it's not lining up for a race. Think of it like swimming lessons, but for running.

Aussie Aths is great fun and will help Aussie kids be more athletic in everyday life and in whatever sport they love.

Up and running at a venue near you! Week day and weekend programs available.
