The Woodlands school community would like to congratulate both Luke Sampson and Zach Taylor for representing us at this years State Cross Country event. Both boys have had amazing results throughout the Cross Country season with Luke finishing consistently in the top places through Region and Division levels. Zach performed incredibly well at the recent State event finishing in 33rd place, a massive congratulations to both students!!

EMC Excursion

By Cruz Van Der Linden

On Wednesday the 3rd of August the Year 5's of Woodlands Primary school went on a excursion to EMC (Elisabeth Murdoch College).

What They Did

First Of All they did cooking . They made some delicious rum balls. They were so good at cooking and listening to the teacher.

Second they did P.E. And this is what they did. First they did a game called Rock, Paper, scissors Then Played a Game With Dodgeball where they had to get one before someone else does.

Snack

The Year 5's met up in the gymnasium and ate their snack on the bench and after they finished they would be able to play basketball, soccer or footy

What Else They Did

They also did Woodworking, Drama And Science We will talk about Woodworking and Science.

In Woodworking they made boats out of wood most of the grade 5s did an outstanding job at making their boats. They looked so cool!

In science the Grade 5's had to make a house with popsicle sticks and blu-tac and whoever won got a chocolate.

For Drama They Played a game called bippity bippity bop and what you had to do is say bop before the teacher did. They also played rock, paper, scissors and the winner got a chocolate.

Conclusion

The Year 5's met up again and they had their lunch and headed to the bus to go back to Woodlands Primary School.

BOYS DIVISION SOCCER

A few weeks ago, the Boys Soccer A Team went to Casey Fields to play soccer against two other teams in the rain, St Brendans and Flinders Cristian College. In the first round they defeated St Brendans. It was an easy going match with Woodlands winning 4-0 at fulltime. Since Woodlands won the first match they got a break for the second match. In the second match St Brendans went up against Flinders and lost again 4-0. The final match was Woodlands against Flinders. In the first half both teams were playing well but close to halftime Flinders scored the first goal. Woodlands were worried but their coach gave them a good talk about what they were doing wrong and when they walked back out to the pitch with positive energy. Early in the second half Woodlands took a good shot at the goal to make it 1-1. Then halfway in the second half Woodlands scored another goal to get ahead of Flinders. Just after that goal Flinders had a fast break and when they were in front of the goalie they took a shot into the bottom corner but just before it went in the goalie made a spectacular save. Towards the end of the match Woodlands scored another goal to confirm their spot in the Regional Championship. When the referee blew his whistle for full time Woodlands had a big celebration. Woodlands had played fantastic soccer and had made it to the Regional Championships because of it. Thank you to all the teachers and especially Tony the coach the entire team could not have done it without him.
