Chandler's Party

On the 13th of June we surprised Chandler with a birthday party. It's not actually his birthday yet, it's in the winter holidays but we decided to have it before then just to make it easier. The whole class had made decorations and gave donations that we had decided on getting presents with. In total we had gotten over two hundred dollars just from the class! We had prepared for Chandler's arrival with presents on the table, balloons everywhere and decorations hanging from the ceiling. When Chandler wheeled inside Mrs Wheeler told him that we weren't there, she counted down from three and then we popped out from under the tables and surprised him. He had the biggest smile on his face and he was flabbergasted. The hard work we had done was paid off by his happiness, his smile and gratitude. We had lots of cake and all enjoyed the party.

By Imogen 4AW

Farewell Mrs Jones

After 22 years here at Woodlands we farewell Mrs Jones, who is retiring, next Thursday 22nd June. I'm sure you will all join me in congratulating Mrs Jones on a wonderful teaching career and thank her for her years of service to the Woodlands community. All the best with this new chapter in your life.

Farewell Mrs Rizkallah and welcome back Mrs Gaiser

We also say goodbye to Mrs Rizkallah who has accepted a position at Rosebud Primary School. This is a fantastic opportunity for her to work closer to home and take on a new challenge. Thank you for your time here at Woodlands, Mrs Rizkallah and all the very best. We are fortunate enough to welcome Back Mrs Gaiser from leave, she will join Mrs Miller and 4 MR two days a week. It is great to have you back.

CALENDAR

JUNE

Monday 19th—Junior school assembly @ 2:45pm

Friday 23rd—Senior school assembly @ 11:45am

Friday 23rd—Last Day of School

2:30pm finish

JULY

Tue 18th— Wed 19th—

Parent Teacher Interviews

Joke of the week !

Mary Poppins
Mary Poppins

"In every job that must be done there is an element of fun."

Administration Upgrade

As many of you have no doubt noticed over the last couple of weeks, the work on the Administration area extension and refurbishment has gathered some momentum. Demolition of the internal and external areas is due to be completed next week. Following this, the concrete slab will be laid for the new Office area before framing the entire area and putting the new roof on. We're hopeful that a large portion of the more disruptive work will take place over the school holidays, minimising the impact on our students and community. Below are some photos of the work that has taken place recently.

ALPHA SHOW

HERCULES

Alpha are a cast of six professional performers who bring the theatrical elements from major theatre to our school. They adapt classic stories into powerful metaphors for children's lives, as well as proving a highly entertaining and fun comedy show for all ages. They specialise in bringing real, quality theatre to people who don't normally have a chance to see a full production musical.

Amazing Structures

Swing bridge

London bridge

Amazing Structures

By chelsea ,Isla G ,Malachi ,Marissa and lucas

Gliten bridge

Oil rig

Bridge builders

5 Woodlands primary school kids have made difficult structures .

We have a London bridge by Malachie, Chelsea and Isla G, a swing bridge by Chelsea, a oil transporter by Isla G and a Glinten bridge by Marissa and Lucas. All bridges wervery long hours.e made in 2 Make sure you go check them out at the stem room window.

To wrap this up let's finish with a joke. What do you call a bridge with no supports. What. A broken bridge. That is all for today ,have a good day.

Amazing Structures

Oil rig

An Oil rig can approximately can drill 2 km beneath the surface.

First fact: The London bridge is rumored to be haunted. It was built in 43 AD. You used to have to pay to walk across the bridge. Did you know that it fell down on the 15th of January 1990? It is fifty six years old! Wow!

Chelsea, Malachi and Isla made a London bridge

Stay well this winter

Symptoms of influenza (flu) can hit very quickly and may last several weeks. Vaccination is the best way to protect yourself and others from getting the flu.

[Annual influenza vaccination](#) is recommended from mid-April each year and is free under the [National Immunisation Program](#) for those at higher risk of complications from the flu.

Keeping our school community well

Parents, carers and students are encouraged to practice prevention measures, including:

- washing and sanitising hands regularly
- avoiding touching eyes, nose and mouth with unwashed hands
- covering nose and mouth when coughing or sneezing
- staying home if unwell and consulting a general practitioner (GP) or [Nurse-on-call](#) as required
- staying up to date with flu and COVID-19 vaccinations.

Flu vaccinations

Flu vaccinations can be booked through GPs and pharmacies, many of which can also provide COVID-19 vaccinations. Flu vaccination is recommended for everyone aged 6 months and over.

Some people are more at risk of complications from flu and are eligible for free vaccination as part of the [National Immunisation Program](#).

COVID-19 booster

The 2023 COVID-19 booster dose is available for everyone aged 18 and above.

Getting your booster dose remains the best way to prevent severe illness or hospitalisation, especially in people aged over 65 and those at higher risk of severe illness.

You can have your booster dose 6 months after your last dose or COVID infection.

Children aged between 5 and 17 years who are at risk of severe illness can also receive a 2023 booster dose.

You can get your next dose at your local pharmacy or GP. To find one near you, refer to the [vaccine clinic finder](#).

Find out [more](#)

For more information about preventing flu, and immunisation, refer to:

- [Better Health Channel influenza flu immunisation fact sheet](#)
- [Getting vaccinated against influenza](#).

Helping Your Child THRIVE

The following tips can be used at home to help your children THRIVE.

Try your best

- To develop self-control in your children, encourage them to make choices and accept the mistakes they make.
- Support them to learn and try new ways to fix their mistakes to achieve what they set out to do.
- Setbacks, such as not being picked for a team, or being left out of a group, can be painful experiences, but so long as you tell them these are normal parts of life, their self-control, resilience and self-awareness will grow.

Be healthy

- Enable them to make the choice to follow a healthy balanced diet (especially breakfast), exercise, socialising and leisure.
- Every day encourage your children to play outside actively. Sport is a great way to keep them fit.
- Keep an eye on their sleeping patterns: they are active and growing rapidly and need 8 to 10 hours of deep uninterrupted sleep.
- Remove devices in bedrooms and avoid screens an hour before bed.

Relate well

- Let them know regularly that you love them and are proud of them.
- Avoid comparing them or what they do to other friends or siblings in their presence.
- Reach an agreement on screen time, in particular social media and gaming; these can become very difficult habits to break down the track.
- Schedule quality time with your children. Enjoy doing something together like going for a walk, playing a game or cooking.

Get involved

- Set aside regular time to talk with your children about all the things they do. These conversations are the backbone of your relationships with your children because they know you care and love them.
- Encourage your child to play to their strengths and try different activities and hobbies.
- Share your hobbies and passions with your children.

Live your values

- Talk to your children about your family values, what is important to you and how you can all act in a way that is respectful of those values.
- Model using manners and teach your children to use "Please", "Thank you", "May I", "Excuse me", and "No thank you".
- Praise your child when they are being respectful.
- Give your child special jobs around the home and talk to them about how they can help others

Enjoy positive emotions

- Every evening ask them to share the good things that happened in their day that they were grateful for.
- Every morning ask them what they are most looking forward to for the upcoming day.
- Celebrate their achievements.
- Practice mindful moments together.

ENJOY POSITIVE EMOTIONS

- Live in the moment
- Be the reason someone smiles today
- Notice and be grateful for the good things

ENJOY positive emotions helps us to find ways to boost happiness, hope, joy, love, compassion, pride, gratitude and interest in our daily lives. These emotions can help us feel good but can also help us deal with tough times. Research has found that experiencing positive emotions is a bi-product of a complex interplay of genetics, life circumstances and intentional activity. By engaging in healthy mental and physical habits, we can have a lot of control over our own happiness and wellbeing.

Tips

- ✦ Savour good experiences by deliberately paying attention to the moment, enjoy what is going on and using all your senses
- ✦ Try meditation. Guided meditations can help you focus on your body and mind. Smiling Mind is an Australian organisation that offers free meditation activities for people of all ages
- ✦ Set a daily intention. Think about how you want to show up, what influence you are having on others and the world around you
- ✦ Express gratitude and focus on the positive aspects of your day. You could try writing them down or share with someone three good things that happened
- ✦ Do activities that you enjoy and pursue hobbies
- ✦ Practice mindfulness. Tune into the present moment, what you are thinking and feeling? Connect with nature or take a quiet moment to rest and reset
- ✦ Schedule self-care. When we are busy, stressed and time poor, self-care is usually the first thing we sacrifice. Scheduling some 'me time' can help us reset and refocus
- ✦ Pleasant life. Schedule time to do something that feels good e.g., a massage, a coffee, a nap, or a bath.
- ✦ Good life. Schedule time to use your skills for something you enjoy e.g., play sport, music, garden or cook.
- ✦ Meaningful life. Schedule time to help others e.g., give blood, volunteer, pick up litter, donate unwanted things to those in need.

Peninsula Health Dental Services

Is your child due to see the dentist? You now have a few options!

Smile Squad

Our *Smile Squad* van is visiting local schools. Our bright orange van may have already visited your school. If you have seen them, that's great! If not, hopefully they will be coming to your school soon.

Peninsula Health Community Dental

Our Community Dental program operates from 3 locations Frankston, Hastings and Rosebud. Your child will be offered the next available appointment and most of them are seen for free.

Please contact 9784 8184 to make an appointment.

Medicare Child Dental Benefits

Your child may be entitled to Medicare Child Dental Benefits. This is a Medicare program that pays up to \$1026 towards your child's dental care every 2 years. You can use this at participating dental clinics both private and community.

Please check with Medicare to see if your child is eligible.
